On the following pages you will be asked to answer several questions. The purpose of these questions is to allow the committee to learn more about you and what you stand for, in order to make their best decision as to the recipient of a Gordon J. Noel Scholarship. None of these is a “trick” question and there are no right or wrong answers. Simply answer as honestly and carefully as you can. If you need any additional room or wish to make any additional comments, please use the reverse of any sheet.

1. Describe any summer or part-time employment you have had during your high school years and indicate why you chose this employment and what you have gained from it.
2. Other than part-time jobs, how do you spend your free time and why? If you are involved in any community service or volunteer work, please tell us how you became involved and what it means to you.
3. What is the most meaningful activity you have outside of school and why?
4. How do you expect to spend this summer, between graduation and the first day of college?

Now we would like to ask about you:

1. Why are you going to college and what do you hope to do with your education?
2. If you had to interview a scholarship applicant, what one question would you want to ask that you think would reveal something about the character of that person?
3. Now, please answer your question about yourself.
4. We would like to ask others about you. Please list as references three people who you would like us to contact to learn more about you.

I understand that the Gordon J. Noel Scholarship recipient is determined by the Scholarship Committee and that its decision is based on the information it obtains. I understand that information is gathered from the faculty and administration of my high school, from the staff of the Boys & Girls Club, and from those individuals I have indicated as references. I hereby give permission to the Scholarship Committee to gather that information with the understanding that it will remain confidential.

I further understand that the Scholarship Award will be paid directly to my college for the tuition and fees and that the recipient must maintain a grade point average defined by the college as acceptable for continued enrollment in order to receive subsequent payments.
